

welcome

Welcome to our beautiful and refreshing Gatwick Clubhouse. There's so much to see and do, so take a minute to ponder the menu and you won't miss a thing.

You can eat anywhere in the Clubhouse – just let us know what you would like and we'll bring it straight to your table. If you're in the mood for a more formal dining experience, then come and join us in the brasserie.

Visit the Clubhouse Spa where we provide you with a bespoke service using only the best products to achieve great results.

If you need to check your emails, or you just want to catch up on Twitter or Facebook, head to our internet lounge and get online.

Parents - it's time to chill while the kids enjoy the fun of Guitar Hero on the Wii – or if you're light on your feet and have energy to burn, then join in the fun at the Fuzzy Felt play area.

Of course, if you've got serious relaxation on your mind, then simply sit back, enjoy the views and sip a cocktail while you watch the world go by.

The choice is yours. Enjoy.
