as a Part-147 maintenance training organisation approved to provide training and conduct examinations listed in the attached approval schedule and issue related certificates of recognition to students.

CONDITIONS:

1. This approval is limited to that specified in the scope of approval section of the Part-147 approved maintenance training organisation exposition, and
2. This approval requires compliance with the procedures specified in the Part-147 approved maintenance training organisation exposition, and
3. This approval is valid whilst the Part-147 approved maintenance training organisation remains in compliance with Part-147.
4. Subject to compliance with the foregoing conditions, this approval shall remain valid unless the approval has previously been surrendered, superseded, suspended or revoked.
