

## UK CLUBHOUSE FACT SHEET

### THE VIRGIN CLUBHOUSE HEATHROW

The Heathrow Clubhouse was opened on 23 March 2006 and its footprint is approximately 2,500 square metres (equivalent to 10 tennis courts and longer than a Jumbo Jet). The Clubhouse provides the ultimate pre-flight experience for every passenger with an array of exciting and unique areas. It should be experienced as a single flowing 'landscape' with the space kept as open as possible, to maximize the sense of scale. The Clubhouse is situated airside just through duty free shops, with its grand staircase visible from the main passenger thoroughfare.

#### **SUMMARY OF AREAS**

**Concierge Service** – for any assistance whilst in the lounge passengers can approach the desk or hit the concierge button on the phone for service at their seat.

**Poolside Lounge** - A floor to ceiling Japanese water wall runs next to the seating area.

**The Deli** – Deli offering a light food alternative with fresh produce and daily specials. There is 7 metres long marble clad table for diners.

**The Brasserie** – An informal area with a continental feel and where diners can choose from an a la carte menu to cater for every appetite and sit at individual tables or booths.

**The Lodge** – Straddling the change in floor levels the lodge has an après ski feel, for a more secluded stay.

**Cocktail Bar** - The 14 metre long cocktail serving a selection of classic drinks and sophisticated cocktails.

**Grab and Go** – Two stations offering healthy and indulgent snacks as well as selection of drinks and bottled water.

**View Lounge** – South-west facing area running along the length of the Clubhouse with large windows for great views of the runway.

**Gallery** – Viewing area behind the bar.

**The Den** - Games area featuring a pool table and retro video games consoles.

**The Cinema** – Entertainment area featuring state of the art video projection system, which can simultaneously show a multitude of channels or be reconfigured as one single cinema screen.

**Playground** – Children’s activity centre featuring the latest games and toys and dedicated Children’s television.

**The Office and Library** – Private room with eight business stations, fax machines, telephones, printers, photocopiers and library with antique refectory table (which has been retained from the previous Clubhouse and originally came from Sir Richard Branson’s house.)

**Internet Access** – The Clubhouse is fully wireless and there are numerous lap top points dotted around the different areas. There are also 8 Sony laptops with internet access at different points for those wishing to browse the net. The Clubhouse is also a T Mobile Hotspot.

**Sky Lounge** – Hideaway mezzanine at the top of a white staircase with loungers, daybeds and leather seating, a skylight and full width sloping windows.

**The Roof Garden** – Unique outside garden with great views of the runway and airport action.

**Cowshed at the Clubhouse** – A range of treatments available for both men and women in addition to spa pool, sauna, steam rooms and showers.

**Bumble and bumble Hair Salon** – Offering a range of stylish cuts to men and women.

**Spa** – Spa pool, sauna with six steam rooms and six showers.

**St Tropez Tanning Booth** – Fully automated tanning or spray tan by professional therapist.

## **THE VIRGIN CLUBHOUSE GATWICK**

The Gatwick Clubhouse was opened on 22 September 1998 by Roland Rivron, Jonathon Ross and Richard Branson. The Virgin Clubhouse offers a modern classic environment offering a comfortable, innovative, witty and colourful atmosphere. The Clubhouse is located beyond passport control in the South Terminal. It is designed to offer a choice of environments where the passenger can relax, have fun and enjoy themselves whilst waiting for their Virgin Atlantic flight.

Travellers are invited to explore the Clubhouse to find the space which best captures their mood at that particular time of day. The full spectrum of choice available is best explained by a tour through the rooms:

### **The Reception**

On entering the Clubhouse, guests are greeted and welcomed at the concierge desk that offers information on Virgin Atlantic services.

### **The Bar**

Located at the far end of the Clubhouse, the bar offers a breakfast menu that includes a selection of hot and cold food, plus a drinks bar.

### **The Library**

The library offers a wide selection of books, with antique leather furniture to relax on. Newspapers and magazines are also provided.

### **The Games Room**

A spacious room with Guitar Hero and interactive gaming machines. A selection of children's' toys and books are also available.

### **The Business Centre**

This room has individual work stations offering phone, fax, photocopying facilities as well as access to the Internet and international financial news services.

### **Virgin Touch**

Virgin's pre-flight grooming and relaxation salon offers a wide range of facials, massages and beauty treatments for male and female passengers, all by Virgin's fully qualified beauty therapists. Hair cutting and styling is also available. Cinema A red floor to wall padded surround sound cinema, which offers comfy sofas and beanbags with a wide-screen cinema where terrestrial and Satellite television can be viewed.

**In addition the Clubhouse offers:**

Toilets and showers

Ultra modern restrooms with showers and facilities for baby changing and for those with disabilities.

Telephone booths

Local and national are free of charge. There is a charge for international calls.

Wardrobe area

Offering lockable lockers and hanging facilities.
